A MESSAGE FROM PASTOR LAURA

“I do not think I will ever reach a stage when I will say, ‘This is what I believe. Finished.’ What I believe is alive.” – Madeleine L’Engle

Artificial intelligence can write your grocery list, help diagnose a disease, generate a picture of Jesus riding a velociraptor, and apparently convince perfectly reasonable people that putting glue on pizza is a good idea. It even wrote this opening sentence! But what does AI have to do with church? Quite a lot, actually!

This new technological season invites the faithful to ask big questions: What does it mean to be human? What is intelligence? Is creating something uniquely human? What happens to truth when a machine can convincingly produce something false? What happens to work and dignity? Where do justice and inequality enter the picture? And what responsibilities do we have toward our neighbors as technology changes their lives?

These aren't entirely new questions. The church has been figuring out how to live faithfully alongside new technology for a very long time. The printing press transformed the way Christians encountered Scripture. Radio and television changed the way we communicated and worshiped. The internet changed how we form communities, seek information, and decide whom to trust. Each new technology has brought tremendous possibilities alongside real reasons for caution. AI is no different. The technology may be new, but the Christian task is ancient: to seek what is true, love what is good, protect the vulnerable, and ask how our choices affect our neighbors.

And Christians ought to be curious people. Jesus himself asked questions constantly: *What are you looking for? Who do you say that I am? What do you want me to do for you? Which of these was a neighbor?* Again and again, Jesus invited people to reconsider what they thought they already knew. Faithfulness does not require certainty about everything we encounter.

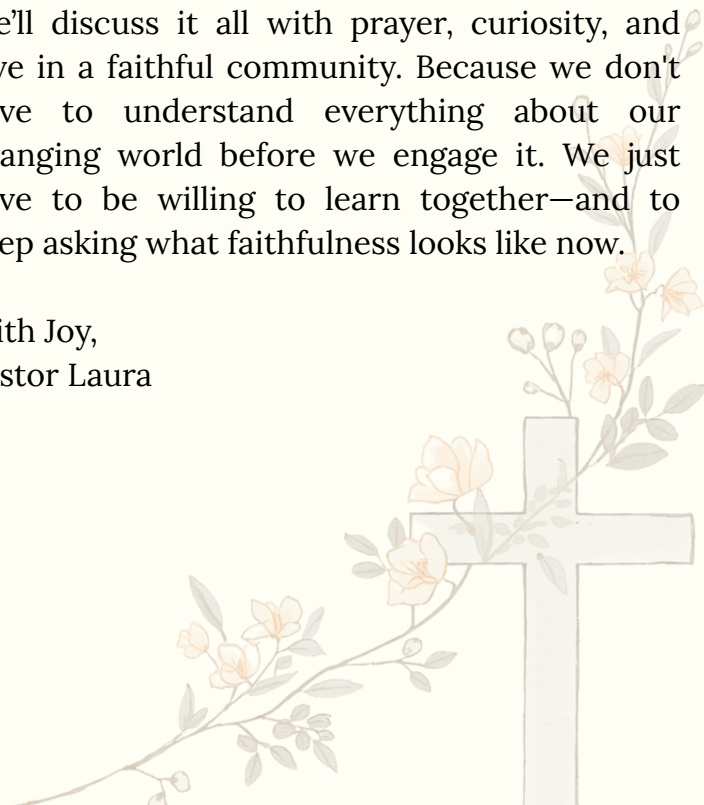

The church should be one of the places where we can ask difficult questions without first knowing the correct answer. Faith doesn't require us to retreat from a changing world. It gives us a community in which to encounter that world thoughtfully, ethically, courageously—and with a little humility. We can disagree. We can wonder. We can even change our minds. And we can keep asking what love of God and love of neighbor require of us here and now.

So as our children head back to classrooms this fall, I'm inviting you to come learn with me. I will be hosting a monthly Faith and the World: Cookie Chat to discuss the big topics of our time. We're discussing Artificial Intelligence and the Christian Faith on Sunday, September 13, from 7:00–8:30 p.m. in the church library.

I'll provide the cookies. You're invited to bring your own warm beverage. You're also invited to bring your curiosity! Bring the things you've read that fascinated you about AI and the things that scared the daylights out of you. Bring your questions, your opinions, and your uncertainty. We'll discuss it all with prayer, curiosity, and love in a faithful community. Because we don't have to understand everything about our changing world before we engage it. We just have to be willing to learn together—and to keep asking what faithfulness looks like now.

With Joy,
Pastor Laura

MUSIC NOTES

SHELBY GRACEY, MUSIC DIRECTOR

A heartfelt "Thank You!" goes out to everyone who gave of their time and talent to offer special music for worship this summer. We welcomed a new guest, Declan Rooney (Jeff Allison's neighbor), who played his cello, and it's always nice to have Harriet Rickard's daughter, Becky, visit us from Southminster Presbyterian Church to sing a duet with her mom. We're also thankful to GPM and many other choir members who shared their talents; as well as to Ryan Gracey & Carla Robinson who operated the clavinova while I was away on vacation.

On behalf of the Music & Worship Commission, I'd also like to express our appreciation for our elders Dave Petty, Chip McCoy, and Ryan Gracey who led us in worship this summer on weeks when Pastor Laura was on the mission trip and vacation. And in addition, thanks to Rev. Ralph Lowe, from Pittsburgh Presbytery, and to Rev. Marlaena Cochran (a Presbyterian Pastor and Hospice Chaplain who has been worshipping with us whenever she's not preaching elsewhere.) It takes many people to keep our worship services vibrant and meaningful, and we thank everyone for their contributions to make that happen!

While it seems that we just started our summer break, it's already time for the Chancel & Bell Choir seasons to resume for the Fall! Our first rehearsal for the Chancel Choir will be held on **Tuesday, September 8 at 7:30 p.m., in the choir room**, and the first time to sing in worship will be on Sunday, September 13. We always have room for MORE choir members, and we'd love to have you join us! Feel free to contact me if you have an interest in joining the choir.

The Campanile Bells will also resume on **Tuesday, September 8 at 6:30 p.m. in the choir room**. We look forward to ringing several times throughout the fall and Advent/Christmas season.

We're all looking forward to a wonderful new season of offering up our praises to God by "making a joyful noise" – either through singing, ringing, or playing instruments!

August 2026

The fun we had...

Our church was overflowing with energy, laughter, music, and plenty of rainforest fun during Rainforest Falls VBS! We welcomed 37 children for a week of Bible stories, games, crafts, science, music, mission, and more as we learned together about God's love. VBS could not happen without the community of volunteers who gave their time to our kids. From decorating and preparing behind the scenes to leading groups and activities all week long, you made Rainforest Falls possible. Thank you!

MISSION TRIP

DISASTER RELIEF TRIP: EASTERN TENNESSEE

By Pastor Laura Strauss

Disaster Relief Trip: This July, Sunset Hills traveled to eastern Tennessee to serve communities still recovering from the devastation of Hurricane Helene. Our team spent the week working alongside local organizations and residents, lending our hands through hunger relief and home restoration in response to the disaster.

Thank you to everyone who traveled, prayed, donated, and supported this ministry from home. Disaster recovery continues long after the news cameras leave. We are grateful for the opportunity to show up as neighbors and put our faith into action.

All Shall Be Well Journeys

Women Traveling with Women
Living in Simplicity and the Sacred
Led by Rebecca DePoe and Laura Strauss

Thresholds and Towers: A Czech Pilgrimage

Monday, May 10, 2027 - Thursday, May 20, 2027

Sacred History

Join a circle of eight women for a transformative pilgrimage through Prague—city of spires, stories, and resilience. Living in intentional simplicity, we will explore the religious history of Prague from its early Christian foundations to the bold witness of the Reformation, including

two nights in the Medieval village of Cesky Krumlov.

Spiritual Architecture

We will walk ancient cobblestone streets and pause in hushed sanctuaries. We'll listen for the echoes of Jan Hus, consider the radical courage of Czech Protestants, and dwell in the sacred memory of the Jewish Quarter.

Shared Sisterhood

This pilgrimage is about more than travel. It's about slowing down, opening up, and being shaped by place, history, and community. Part of the slowing down will be the conclusion of the pilgrimage in the

medieval village of Cesky Krumlov. Through shared meals, daily prayer, and guided reflection, we will bear witness to God's presence across time—and in each other.

HOLY CURIOSITY SERMON SERIES

The Bible is full of passages that make us laugh, scratch our heads, argue, wonder, and occasionally say, "Wait—that's in there?" This fall, Pastor Laura's turning to you. What Scripture have you never heard preached but wish you had? What story deserves another chance? What text has puzzled or inspired you?

Drop your suggestion in the basket in the narthex. Pastor Laura will use these suggestions for worship in September through November 2026. Together we'll explore some of the Bible's most surprising corners and discover what treasures await us there.

PET BLESSING BRINGS THE NEIGHBORHOOD TOGETHER

What a wonderful evening! Our Pet Blessing welcomed 24 dogs, 2 cats, and 1 very brave gecko, along with their humans, for an evening of gratitude for all God's creatures. It was especially wonderful to welcome neighbors from beyond our congregation. Thank you to everyone who helped make the evening possible—and to every furry, four-legged, and scaly guest who reminded us just how much love God's animals bring into our lives!
